We create **engaging spaces** and **visionary designs** which **strengthen the brand** of our clients. Through shared goals and a fearless approach to design, we **maximize hotel marketability** and **profitability**, bringing your guests back again and again!

WHY CHOOSE Lightowler Johnson & Associates, Inc. (LJA)?

We are *seamless*.

Our team includes architects, engineers and planners seamlessly woven to provide for the full scope of project design services. Our dedicated design professionals understand that our role is not only to help our clients shape their projects for functional and spatial needs, but also address the need for project affordability, marketability, and profitability.

We will *engage*.

LJA's approach to hospitality design is that we seek to not only strengthen the market position of each flagship brand, but to also engage hotel guests in a way that is meaningful and memorable, fitting within the context of the community.
